Apples for Jam

Truly Scrumptious Cakes & Bakes

Childrens Tea Party Little ones that do lunch!

Ages 5 and upwards

This really is a children's party with a difference, Apples for Jam will come along to your party venue and set up a Vintage Tea Party for your child. We will bring along an exciting dressing up prop box which includes all sorts of exciting vintage items, such as hats, feather boas, pearls, gloves... We will also provide an afternoon tea which includes a selection of finger sandwiches, pink wafer biscuits, popcorn, fruit and of course our truly scrumptious cupcakes. The children can sip juice or hot chocolate poured from teapots into pretty teacups and help themselves to all the yummy food at their very own tea party.

This is a great party idea for little girls who like to do dress up, they will be taking part in their very own grown up Tea Party.

We can also arrange party activities to keep them entertained such as pompom making, making peg fairy's, paint your own tea sets to name a few, we have lots of options so please do contact us to discuss.

We suggest keeping numbers relatively low to get the most out of a children's vintage tea party, 6 - 8 children being the ideal.

PARTY FOR UP TO 8 GUESTS IS £98

£10 PER HEAD THEREAFTER WITH A MAXIMUM OF 10
